

Dependent lives, Deuteronomy 6:1-9
Sunday, February 25 – Pastor Manrique Salazar

1) How are you reverencing God in the way in which you live? Are you living a life dependent upon Him and are you submitted to walking in obedience to His will for you?

2) Read 1 John 1:1-5. How is our obedience related to our love for God? Consider three characteristics of God's character that produce in you a reaction of reverence and love.

3) List the three most challenging areas of your life at the moment. How does God's Word speak into these areas? How does God call you to love Him in how you live out these areas of your life?
