

God's grief over man's wickedness, Genesis 6:1-8
Sunday, April 21 – Pastor Manrique Salazar

1) How does today's society resemble Noah's time?

2) How did God ultimately judge our sin in the New Testament? Who received that judgement? Read 1 Peter 2:24.

3) As believers, we will sin. How can we remain sensitive to our sin and repent when we have grieved the Spirit of God? 1 John 1:8-10

4) How has grace been extended to humanity? Is there any grace apart from the Lord Jesus Christ? John 14:6, Acts 4:14.

5) How can we walk with God as Noah did, bringing light into this world's darkness?
